

ALPHA DATACENTER

214-537-8852

4407 Alpha Rd. Farmers Branch TX 75244

www.alphadatacenter.com

Highlights

- ✓ 8 Fiber providers
- ✓ 3.0 MW Available
- ✓ 4x 1,200 AMP 480V AC Power
- ✓ 500 KVA 48V DC Power
- ✓ 14 Liebert DX A/C Units 390 Tons
- ✓ FM 200 Fire System
- ✓ VESDA Smoke and Fire Detection System
- ✓ Dual Roof System

Features

HVAC

14 Liebert DX A/C Units 390 Tons with outside fan condensers / Plenum ceiling for better airflow through out server rooms

Power and generator

3.0 MW Transformer, 4x 1,200 AMP 480V AC and 500 KVA 48V DC power capabilities / Diesel Generator / Onsite diesel fuel storage / Redundant ATS's and other power infrastructure / Extensive grounding system / Lightning protection / Up to 30KW per cabinet 240v power

Fire Detection & Suppression

VESDA smoke and fire detection system / Multiple zoned detection and suppression system / Double interlock dry pipe system throughout facility / FM200 Gas System

Security & Surveillance 24x7x365

State of the Art Security and access control / Access restricted data rooms

Eight Tier One Fiber providers

Level3 / ATT / Verizon / TW telecom / Zayo / XO Communications / Fiberlight / Logix

Multiple diverse fiber paths into the building

Racks and enclosures / Both 4 and 2 post telecom racks / All cabling is run overhead on telco grade ladder racking / Fiber to every rack

Centralized Data Center Management System connected to Environmental and Infrastructure Devices
